COMUNIDAD DE VIDA CRISTIANA

28 February 2019 | Rome

Dear Friends,

Greetings of peace!

Over the past months, the World Executive Council (ExCo) been undertaking a communal discernment process for selecting the next head of the Secretariat in Rome. We have been humbled by the generosity and giftedness present in the world community. We are grateful to all of you who have made yourselves available for the position, and to all of you who have accompanied us in prayer during this process.

Now, with great joy, we wish to share with you that **Manuel Martinez, from the CLC in Uruguay, has been chosen to be the next Executive Secretary of the Christian Life Community.**

A member of CLC since 2005, Manuel has been part of the national team and has served in various apostolic service teams in Uruguay. Most recently, many may remember him as he headed the ARUPA's Communications Team in the Buenos Aires World Assembly.

He will assume his position as an appointed member of the World ExCo and as Executive Secretary before 2019 ends, after a concurrent transition period with Alwin and Rojean in Rome.

In the meantime, I ask you to please hold us in your prayers during this period of team transition.

Sincerely yours,

Denis Dobbstein
President
