## **Our Ecology Frontier: Participation in the Season of Creation**

Greetings Dear Brothers and Sisters in CLC!

Consistent with our priority frontier of Ecology, as mandated by the Lebanon Assembly, the World ExCo invites all our members to participate in the **World Day of Prayer for the Care of Creation on September 1<sup>st</sup>**. This is a wonderful moment to be in solidarity with Pope Francis, our world community, and Christians everywhere, especially the many of you already engaged in ecological issues.

We also invite you to participate in the **Season of Creation** beginning September 1<sup>st</sup> through October 4<sup>th</sup>, also in solidarity with many Christians and inter-faith groups around the world. CLC still actively participates in the Global Catholic Climate Movement (GCCM), whose resources and initiatives align with our priority for the Ecology Frontier. You can find concrete ways to participate in the Season of Creation [website](#). We encourage you to share your communities' prayer experiences and ecological initiatives with us! We do not have to do the same things, but we can do different initiatives together. We encourage you to post on our [CVX - CLC Facebook Page](#) in your own language!

This remains a crucial time in our world history where so many people of faith and ecological awareness are speaking up on behalf of the care of our most vulnerable people and for the care of creation. With our Ignatian tradition of prayer and discernment, CLC has a special role in reflecting on how the Spirit is calling us--- whether personally and/ or as a community—to respond.

In Christ,

**Mauricio Lopez**  
President

**Ann Marie Brennan**  
Consultor

**Luke Rodrigues SJ**  
Vice Ecclesiastical Assistant
